Time of the Season

Time of the season? For what? Well holidays are always in season: Labor Day, Veterans Day, Thanksgiving, and Christmas, all coming up. But it is also election time for ACCC. I am asking all members to consider being an ACCC board member. All qualified members may hold a position and should volunteer, even if it is only for a year. Who knows, you may like it. All positions are available, and you will be called soon for your decision. Additionally, we would like to see all of the absent members we haven't seen in a while, to attend our monthly meetings, still on the third Tuesday of the month at 7PM, and still at the Aquia Harbour Inn. It's one day a month for your club.

Your board has been working for you during the past couple of months. We have a new bank, thanks to our Secretary/Treasurer Steve Argubright. Our previous bank decided they needed to charge a monthly fee for the account after all these years. Steve found us a new bank, Carter Bank and Trust, in Stafford, that does not charge fees and it has everything we need. He made several trips to the old and new banks to set everything up. I went with him to the Carter Bank and met the Assistant Manager. I also want to recognize Ron Mahaffey for organizing events and chairing the August meeting in my absence.

The board also met and recommended changes to the by-laws to allow associate members to have more of a voice in the club decisions for everything except general elections and holding office. Changes were approved at the August membership meeting. Our associate members participate in our meetings and events more than some of the regular members. A good change. Also new, we now have lifetime memberships. The bylaws and the new membership application, with dues listed, are on our website at this link: [ABOUT US - Aquia Creek Corvette Club \(acccclub.org\)](https://www.acccclub.org/ABOUT-US)

Corvettes at Carlisle and VIR are in the books. I went to Carlisle on Friday and did not meet one person I knew. Although Pete and Jan were there, we did not meet up. Photo collages are in this newsletter. New venues for breakfast and the picnic are coming up in September and a new venue for the Christmas Party in December. Call or email the POC and we hope to see you in attendance at one or all of them. (See flyers in this newsletter)

A few club members kept their Corvettes on the Boardwalk reservations and will be going to Ocean City, September 7-10th. Margaret and I will be returning early Sunday morning to attend the annual ACCC picnic. See you there!

Until next month, remember

Most Corvettes are Red!

AQUIA CREEK CORVETTE CLUB

The purpose of this organization shall be to provide educational needs for those with Corvettes, and for the preservation, restoration, and enjoyment of all Corvettes.

NOW IN OUR 36th YEAR

Aquia Creek Corvette Club (ACCC) was formed in September 1987 by a group of die-hard Corvette enthusiasts from Aquia Harbor in Stafford, VA. The name was selected reflecting the Club's geographic and historical origins in the Old Dominion. Through hard work and commitment, ACCC has enjoyed constant growth and now boasts 47 members representing nearly 70 Corvettes, from a 1954 to a 2023. ACCC membership consists primarily of Stafford County residents, but has members from Prince William, Fairfax, Fauquier, Spotsylvania, Culpeper, Loudon, Louisa counties, as well as one member in North Carolina and two in Florida. Since September 8th, 2014, the ACCC Facebook Group has been limited to ACCC members only, except for a few that were already group members.

ACCCording to the Vice President & ACC EVENTS

Ron Mahaffey

OLD BUSINESS:

- We held our monthly August breakfast at the Juke Box Diner in Manassas with the following attendees: Steve, Dave, Skip and Marie, Mary Anne, James, Harold, and Ron. Following the breakfast Steve, James, Harold, and Ron drove to Bomnin Chevrolet and participated in the ODCC Corvette Show.
- Changes to the club bylaws were accepted and approved at the club meeting in August.

NEW BUSINESS:

- The September breakfast will be held Sunday (one time only event) Sep 3 at the Clearwater Fire Grill. This will be a brunch so meeting time will be 11AM. Ron confirmed our reservation for those who signed up, so we are all set. Address for the grill is: 4276 Germanna Hwy, Locust Grove, VA 22508.
- Steve has mentioned the Lions Club 24th Annual Car Show in Fairfax on Sep 4, 8AM-3 PM, in downtown Fairfax (4801 University Drive). It's open to all cars and is a worthwhile charity event.
- Since joining the club I always see the advertisement for shirts, jackets, etc., in the monthly newsletter. A month or so ago I drove down to Heartland Sign Works on Route #1 in Stafford and asked about ordering a couple of shirts with the ACCC logo on them. The lady also asked if I wanted my name on them and I said sure, why not. So I have attached a photo of one of the shirts (I ordered two, one red and one yellow). The quality of the material is very good. Total cost with logo, name and tax was \$69.48.
- There was some discussion of a mystery cruise in the coming months, but so far nothing has been confirmed. Possibilities were: Cruise to Crozet Pizza, Tavern on the Rail, and the town of Orange. More to follow on this event.

UPCOMING ACTIVITIES:

- Ocean City weekend is Sep 7-10. Keep in mind this is not a Corvette function this year. Have seen however, that Ocean City Corvette weekend will take place in Nov 2024.
- **ATTENTION, ATTENTION:** Our annual club picnic is scheduled for Sep 10 at Lions Park in Aquia Harbor from 11AM -5PM. If you have not signed up for the picnic, please do so ASAP. Additionally, let Skip and Marie know what dish you will provide in support of the picnic. The theme for this years picnic is Hawaii...grass skirts are acceptable ha! ha!
- Battlefield Corvette Club has their Annual Cruz-In on Sep 17 at Radley Chevy in Fredericksburg, from 10 AM-3 PM.
- Please mark this on your calendars. On the occasion of their Fall Festival, the Sentara Northern Virginia Medical Center (SNVMC) in Woodbridge has invited members of our club to display our Corvettes on Wednesday afternoon, Sep 27. More information to follow. When we last did this before the pandemic, attendees were provided free ice cream and access to the hospital's Garden Cafe for food as required. The hours will be brief, I guess 1pm-3pm. This is not a judged show, just a chance for hospital employees and staff to view some very fine Corvettes!! If the weather is bad, stay home!!

LONG RANGE PLANNING:

- Shannon Airport Fall Festival will take place on Oct 28. Chris will provide more details as they firm up. There have been some changes as to how long we must stay. More to follow.
- I know, Christmas Party?....but before we know it Christmas will be here. With that said, please let Marie Sizemore know if you plan to attend the Christmas Party and provide your check made out to ACCC. The party will take place at the Alpine Chef 200 Lafayette Blvd in Fredericksburg, VA. Date is Sunday Dec 17 from 1-4PM. The cost is \$35 per member and \$48.52 for guests/non-members. A gift exchange will take place and the limit is \$25.

Willing Warriors — Continuing Needs

How ACCC Members Can Help

As we all know, Willing Warriors in Haymarket, VA, is a great cause. We attend their Vettes for Vets Corvette Show every year. There is a way we can help them on a continuing basis. They have recurring needs for the following:

- **Cases of Bottled Water** to keep in the garage refrigerator for volunteers who are working and Warrior families when they play outside or go off-site.
- **Tall Kitchen Trash Bags**
- **Dawn Dish Soap**
- **Paper Towels**
- **Septic Safe Toilet Paper**
- **Gallon and Quart size freezer zip lock baggies**
- **Pledge**
- **Snack bars** such as Nature Valley Granola bars

If you bring any of the above items to any ACCC meeting, ACCC Associate member Mary Anne McGovern has volunteered to get them to Willing Warriors. Thank you Mary Anne.

A FUNNY THING HAPPENED ON THE WAY TO THE CAR SHOW

(A Story with a Moral)

By Dave Jones

I had decided to attend the ACCC breakfast on August 13 at 10 AM followed by the Bonmin Chevrolet car show. My '96 and I departed home about 8:30 AM to allow plenty of time for red lights, etc. About half way to Manassas the low tire pressure signal appeared on my dashboard readout and soon thereafter I noticed the car was pulling to the right. Upon arriving at the Juke Box Diner at 9:30 I discovered that my right front tire was almost flat. I drove to a local gas station to get air and as I was filling the tire I found that the valve stem was the source of the problem. Since the car show was at a dealer I drove there to see if their service department was open, however, I found that the service department was not open due to it being Sunday. (The show had been moved to Sunday to avoid conflicts with the service department on Saturdays.)

I decided that the only thing to do was to install the spare tire. I drove to the Manassas Mall parking lot and found a shady spot as it was around 90 degrees, arriving there about 9:45. Reminding myself that I had not checked the spare in quite a while, and given the heat, I decided to call AAA. The very courteous driver arrived within about 20 minutes and started to change the tire. When the (doughnut) spare was removed I realized my decision to call AAA was a good one as the spare was also flat. Fortunately the AAA truck had a compressor and filled the spare. A few minutes later the job was complete and I drove back to the diner, arriving about 10:30, in time to join the ACCC during breakfast. When breakfast was complete and those attending the car show were leaving, I decided to return home rather than the car show as I am never comfortable when driving on a spare tire. I drove home without further incident and parked the car in my garage.

The next day, Monday, I backed the car out of the garage, only to find that the spare had gone flat during the night. I filled the tire, yes I have a compressor, and drove to the auto shop. The valve stem was replaced and it turned out that the spare was leaking where the seal at the wheel rim had failed. So after paying the shop for two tire repairs I was on my merry way.

Moral: Check your spare often.
