ACCCording to the President Ron Mahaffey

The month of December club events slow down (for example, we did not have a club breakfast in December) with the exception of "Toys for Tots" and our "Annual Christmas Party." Steve Argubright organized the "Toys for Tots," as he's done for several years. We delivered our toys to the Marine Corps Museum at Quantico and then some of us had lunch at the Tun Tavern. The Battlefield Corvette Club, which Steve always invites to participate, did so again this year.

We had our Christmas Party at the Park Lane Tavern on 21 December in Fredericksburg, VA. (Agree we held it too close to Christmas, we need to fix that this next year.) They have a private room that we reserved back in the July timeframe; they've always been very accommodating. Yes, we had our "Dirty Santa" gift exchange, which is always fun. Special thanks to Margaret McCloud for decorating the tables for our party. One thing we need to keep in mind is there are fewer and fewer establishments that will allow these events without charging you. That said, start thinking about next year's Christmas Party and where you would like to have it. We need to get our oar in the water (reservation) by Summer's end.

As we wrap up 2025, I want to thank you all for your participation in the club events throughout the year. Let's start thinking about club events to put on the calendar starting in January. I look forward to your ideas on making the club better and filling up the event calendar.

Our first club breakfast for 2026 will be on 3 January at 10 AM at the "Great American Buffet" on Carl D. Silver Parkway in Fredericksburg, VA. Then our first club meeting will be on Tuesday, 20 January at the Aquia Clubhouse 7 PM.

Throughout 2025 Steve Argubright (Sec/Treasurer) kept track of who attended club events. Keep in mind we did not include the ACCC Board members in this calculation. During the Christmas Party, the President recognized two individuals for their contribution/participation in club events for 2025. First place went to Al McCloud and second place went to Dave Jones. Thank you Al and Dave, this is what makes a club!

Wishing you all a Happy, Safe and Prosperous New Year!!!

AQUIA CREEK CORVETTE CLUB

The purpose of this organization shall be to provide educational needs for those with Corvettes, and for the preservation, restoration, and enjoyment of all Corvettes.

NOW IN OUR 38th YEAR

Aquia Creek Corvette Club (ACCC) was formed in September 1987 by a group of die-hard Corvette enthusiasts from Aquia Harbor in Stafford, VA. The name was selected reflecting the Club's geographic and historical origins in the Old Dominion. Through hard work and commitment, ACCC has enjoyed constant growth and now boasts 51 members representing nearly 80 Corvettes, from a 1954 to a 2023. ACCC membership consists primarily of Stafford County residents, but has members from Prince William, Spotsylvania, Culpeper, and Botetourt counties, as well as one member in North Carolina, one in South Carolina, and two in Florida. Since September 8th, 2014, the ACCC Facebook Group has been limited to ACCC members only, except for a few that were already group members.

NEWS FROM THE NATIONAL CORVETTE MUSEUM (NCM)

January 2026

Dave Jones (Email: oneregal@yahoo.com)

Here's wishing each of you a Happy New Year and best wishes for a truly wonderful year full of good health, wealth and happiness. As we enter a new year I thought it beneficial to review the Museum philosophy as an incentive to promote new members. The ACCC has only a very few active members of the Corvette Museum and as Ambassador it is my job to promote the Museum and seek new members. So, this is my once a year sales pitch and what better way than repeating the National Corvette Museum Mission, Vision, and Brand Promise:

Our Mission

The mission of the National Corvette Museum is to educate worldwide audiences on the evolution of the Corvette—America's Sports Car—through collection, preservation and celebration of its legacy.

Our Vision

The Museum will be recognized as the epicenter of the Corvette community's enduring spirit, serve as the preeminent repository for this American icon, and operate with uncompromising standards while remaining focused on strategic growth that ensures our financial future.

Our Brand Promise

We are committed to operating at the highest museum standards. Our goal is to create exceptional experiences that leave a lasting impact, resulting in cherished memories. We aspire to be the world's premier repository for all things Corvette, preserving and showcasing the rich heritage of this iconic automobile.

In addition to helping support the Museum and preserve the Corvette legacy, as a member there are other benefits to joining the Museum, such as:

- Membership card and lapel pin
- Free admission to the Museum
- Discount on NCM sponsored events
- 10% discount on merchandise from the Corvette Store and catalog
- Free admission to NARM participating museums
- Discount on insurance from NCM Insurance Agency
- Discounts on car rentals and hotels
- 20% discount on all CARFAX Reports

Happy New Year

Willing Warriors — Continuing Needs

How ACCC Members Can Help

As we all know, Willing Warriors in Haymarket, VA, is a great cause. We attend their Vettes for Vets Corvette Show every year. There is a way we can help them on a continuing basis. They have recurring needs for the following:

- **Cases of Bottled Water** to keep in the garage refrigerator for volunteers who are working and Warrior families when they play outside or go off-site.
- **Tall Kitchen Trash Bags**
- **Dawn Dish Soap**
- **Paper Towels**
- **Septic Safe Toilet Paper**
- **Gallon and Quart size freezer zip lock baggies**
- **Pledge**
- **Snack bars** such as Nature Valley Granola bars

If you bring any of the above items to any ACCC meeting, ACCC Associate member Mary Anne McGovern has volunteered to get them to Willing Warriors. Thank you Mary Anne.

Subject: Re: [EXTERNAL] - ACCC BRICK REPLACEMENT

Hi Stephen,

Your club's brick arrived from our vendor last week, however, upon inspection, we found an error: the "I" in Aquia Creek was missing. We have sent it back to the vendor who is working on fixing the error. We should have the corrected brick back shortly. I've attached an image of the error brick for your reference. Please let me know if you have any more questions.

Thanks and Merry Christmas!
